

PLEASE READ THIS SOFTWARE LICENSE AGREEMENT CAREFULLY. BY DOWNLOADING, INSTALLING OR USING THE SOFTWARE YOU INDICATE ACCEPTANCE OF AND AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, DO NOT DOWNLOAD, INSTALL OR USE THE SOFTWARE. THIS AGREEMENT DOES NOT SUPERCEDE ANY OTHER WRITTEN AGREEMENT BETWEEN YOU AND RAFFEL SYSTEMS FLEET MANAGEMENT LLC.

This agreement (the "Agreement") is made between Raffel Systems LLC ("Raffel Systems") and you, the customer ("Licensee"). The terms and conditions of this Agreement are intended by the parties as a final expression of their agreement with respect to the subject matter hereof and may not be contradicted by evidence of any prior or contemporaneous agreement unless such agreement is signed by both parties. In the absence of such an agreement, this Agreement shall constitute the complete and exclusive statement of the terms and conditions and no extrinsic evidence whatsoever may be introduced in any judicial proceeding which may involve the Agreement. This Agreement may not be modified except by a writing executed by both parties hereto.

SECTION 1. GENERAL PROVISIONS.

The provisions of this Section 1 shall apply to any and all Software, as defined below.

1.1 Software. For the purpose of this Agreement, the licensed computer software program(s) downloaded and/or installed and the supporting documentation for such will be referred to as the "Software."

1.2 Restrictions. Raffel Systems reserves any rights not expressly granted to Licensee and retains title and full ownership rights under the copyright laws of the United States or any other jurisdiction or under any federal, state, or foreign laws. Raffel Systems is not obligated to provide and Licensee acquires no right of any kind with respect to any source code for the Software. Licensee agrees that it has no right whatsoever to modify the Software or any portion thereof in any manner. Licensee shall not, nor permit any third party to reverse engineer, decompile, disassemble or otherwise reduce the Software to any other humanly perceivable form, and may not modify, adapt, rent, lease, loan or create derivative works based upon the Software or any part thereof.

1.3 Export Law Assurances. Licensee shall not export or re-export, or allow the export or re-export of the Software or any copy, portion or direct product of the foregoing, in violation of any export laws, restrictions, national security controls or regulations of the United States or other applicable foreign agency or authority.

1.4 Limitation of Remedies and Damages. IN NO EVENT WILL RAFFEL SYSTEMS, OR ANY OF THE LICENSORS, DIRECTORS, OFFICERS, EMPLOYEES OR AFFILIATES OF ANY OF THE FOREGOING BE LIABLE TO LICENSEE UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES WHATSOEVER (INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION AND THE LIKE), WHETHER FORESEEABLE OR UNFORESEEABLE, OR FOR COST OF PROCUREMENT OF SUBSTITUTE GOODS, TECHNOLOGY OR SERVICES, REGARDLESS OF THE BASIS OF THE CLAIM AND EVEN IF RAFFEL SYSTEMS OR A RAFFEL SYSTEMS REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. RAFFEL SYSTEMS CUMULATIVE LIABILITY FOR DAMAGES FOR ANY CAUSE WHATSOEVER, AND REGARDLESS OF THE FORM OF THE ACTION, WILL BE LIMITED TO NO GREATER THAN

THE AMOUNT OF MONEY PAID TO RAFFEL SYSTEMS FOR THE SOFTWARE THAT CAUSED THE DAMAGES. NO ACTION MAY BE BROUGHT AGAINST RAFFEL SYSTEMS LATER THAN ONE YEAR FROM THE TERMINATION OF THIS AGREEMENT.

1.5 Nondisclosure. “Confidential Information” shall be defined to include Software, source code, object code, documentation and any proprietary tools, proprietary knowledge or proprietary methodologies disclosed by Raffel Systems to Licensee under or relating to this Agreement. Licensee shall observe complete confidentiality with respect to the Confidential Information, and shall use its best efforts and take all reasonable steps to protect the Confidential Information from any use, reproduction, publication, disclosure, or distribution except as specifically authorized by this Agreement. Licensee shall promptly notify Raffel Systems of any known unauthorized use or disclosure of the Confidential Information and will cooperate with Raffel Systems in any litigation brought by Raffel Systems against third parties to protect its proprietary rights.

1.6 Assignment. Licensee may not assign or transfer its rights and obligations under this Agreement without prior written approval by Raffel Systems and any purported assignment or transfer without Raffel Systems consent shall be null and void.

1.7 Injunctive Relief. Licensee hereby expressly agrees that Raffel Systems, in addition to any other rights or remedies which Raffel Systems may possess, shall be entitled to injunctive and other equitable relief without having to post bond or other security to prevent a material breach or continuing material breach of this Agreement.

1.8 Software Supplied to the Government. The Software is a “commercial item,” “commercial computer software” and/or “commercial computer software documentation.” Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, disclosure or distribution of the Software by the U.S. government shall be governed solely by the terms of this Agreement and shall be prohibited except to the extent expressly permitted herein.

1.9 Survival. Sections 1.2, 1.3, 1.4, 1.5, 1.7, 1.9, 1.10, 1.11 and 1.12 shall survive termination of this Agreement for any reason whatsoever.

1.10 Warranties. THE LIMITED WARRANTIES AS DESCRIBED IN SECTION 2.2 AND SECTION 3.3 OF THIS AGREEMENT ARE THE ONLY WARRANTIES PROVIDED BY RAFFEL SYSTEMS AND ITS LICENSORS, WHO EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH REGARD TO THE SOFTWARE AND ACCOMPANYING WRITTEN MATERIALS.

1.11 Term and Termination. This Agreement is effective for the term of the license grant unless sooner terminated, either through mutual agreement by the parties or by Licensee’s material breach of the Agreement; provided, however, Licensee shall have ten (10) days from written notice to cure any such breach if curable. Upon any termination Licensee must immediately destroy the Software and all accompanying written materials and all copies thereof (including copies stored in computer memory) and shall so certify to Raffel Systems in writing.

1.12 General. This Agreement will be construed under the laws of the State of Arizona, except for that body of law dealing with conflicts of law and the U.N. Convention of Contracts for the Sale of International Goods, which shall not apply. In the event there is a dispute concerning the subject matter of this Agreement, the proper venue shall be the County of Maricopa, State of Arizona, United States of America. Each party hereby waives opposition to jurisdiction in such court. Service of process can be done in accordance with the governing law of the Agreement.

Performance of any obligation required by a party hereunder may be waived only by a written waiver signed by the other party, which waiver shall be effective only with respect to the specific obligation described therein. If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible, and the remaining provisions of this Agreement will remain in full force and effect.

SECTION 2. TRIAL EVALUATION TERMS AND CONDITIONS.

The provisions of this Section 2 shall apply to Software downloaded for temporary and/or trial use.

2.1 License. Subject to the terms and conditions of this Agreement, the Software is licensed, not sold to Licensee by Raffel Systems for a free evaluation period of thirty (30) days from the download date ("Evaluation Period"). However, Licensee shall be responsible for any applicable shipping fees or taxes which may be incurred under this Agreement. Licensee may use the Software for its own internal evaluation and for no other purpose.

2.2 "AS-IS" Warranty. Raffel Systems warrants that it or its licensors retain(s) all intellectual property rights in the Software and any accompanying written materials provided by Raffel Systems, including but not limited to copyright, and that it has the legal right to grant Licensee the License granted under this Agreement. LICENSEE AND RAFFEL SYSTEMS AGREE THAT THE SOFTWARE IS PROVIDED "AS IS" AND UNSUPPORTED, AND THAT RAFFEL SYSTEMS MAKES NO WARRANTY AS TO THE SOFTWARE, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

SECTION 3. "FULL" LICENSE TERMS AND CONDITIONS.

The provisions of this Section 3 shall apply to Software licensed with no time limits.

3.1 LICENSE. Subject to the terms and conditions of this Agreement and upon Licensee's full payment of the applicable fees, the Software shall be licensed, not sold, to Licensee by Raffel Systems. The "License" granted hereunder shall be perpetual, non-exclusive, and non-sublicensable, and is defined as Licensee's right to:

(a) For the number of copies licensed, Licensee may Use one (1) copy of the Software. "Use" shall mean Licensee may install, use, access, run, or otherwise interact with the Software in accordance with the applicable documentation and the license grant specified by Raffel Systems. The Software may not be installed, accessed, displayed, run, shared, or used concurrently on or from different computers, including a workstation, terminal, or other digital electronic device.

(b) For the number of copies licensed, Licensee may make one copy (in machine-readable form only) of each copy of the Software licensed hereunder solely for backup or disaster recovery purposes. However, Licensee must reproduce each such copy without modification, including all copyright and other proprietary notices that are on the original copy.

3.2 Maintenance. During any Maintenance Period and for the applicable fees, Raffel Systems shall provide the maintenance services as listed in this Paragraph 3.2. However, for some Software remote access to Licensee's system may be necessary in order for Raffel Systems to perform some maintenance services. "Maintenance Period" shall be defined as the one (1) year period beginning on the date of the first invoice for the Software or from the conclusion of any previous Maintenance Period, provided Licensee is current on all fees due. Maintenance fees shall be subject to an annual billing cycle. Either party may elect not to renew maintenance

services by terminating maintenance in writing, in which case Raffel Systems will no longer be responsible for providing maintenance. Payment of any and all past maintenance fees, plus a reinstatement fee of the annual maintenance, shall be required before maintenance will be reinstated after it has lapsed. Maintenance services shall consist of the following:

- Raffel Systems shall make Software corrections, enhancements and upgrades available to Licensee if and when it makes them generally available under a maintenance subscription.
- Raffel Systems shall respond to communications from Licensee that report software failures not previously reported to Raffel Systems.
- Raffel Systems shall respond to a reasonable number communications from Licensee's Technical Coordinators that request consultation on the operational/technical aspects of the Software.
- For all Software, Raffel Systems support service shall be available via telephone or email on business days between the hours of 8:00 a.m. and 5:00 p.m. PST/PDT. During those hours, Raffel Systems shall respond to inquiries within twenty-four (24) hours of receipt of such inquiry.

3.3 Limited Warranty. Raffel Systems warrants that it or its licensors retain(s) all intellectual property rights in the Software and any accompanying written materials provided by Raffel Systems, including but not limited to copyright, and that it has the legal right to grant Licensee the License granted under this Agreement. Raffel Systems also warrants for a period of thirty (30) days from the delivery date of the Software that (i) the media provided by Raffel Systems, if any, on which the Software is recorded will be free from material defects in materials and workmanship under normal use, and (ii) the operation of the Software, as provided by Raffel Systems, will substantially conform to Raffel Systems published documentation for the Software. In the event Licensee notifies Raffel Systems during the warranty period that the Software does not meet these standards, Raffel Systems shall, at its sole option and expense, either replace the media, refund the purchase price, or repair or replace the Software as Licensee's sole and exclusive remedy.

THIS LIMITED WARRANTY IS THE ONLY WARRANTY PROVIDED BY RAFFEL SYSTEMS WITH RESPECT TO THE SOFTWARE LICENSED UNDER THIS SECTION 3, AND RAFFEL SYSTEMS EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
